

Re: Letter to committee on 1-13-09 Item 1: We have examined the contribution from Honeywell rec'd on 6-10-08 that was intended for Primary but received too late for that cycle. It will be refunded on our Q12009 report.

Item 2: There seems to be a software problem on my ECTD that we are working on and when it is resolved I will resend and amended report.

Item 3: Several of our Form 6 notices were not received/accepted by the FEC and we were not aware of this. Our practice in the future will be to immediately attach the faxed acceptance to the Form 6 48 Hour notice. Those records affected are as follows:

Received & Reported but not accepted on 10-24-08: David Bradley, \$1,000 on 10-24-08; HONEYWELL INTERNATIONAL PAC \$2500 on 10-25-08; SEMPRA Energy Employees PAC 10-25-08;

Received & Reported but not accepted on 10-29-08: AT&T FEDERAL PAC \$1,000 on 10-30-08;

Received & Reported but not accepted on 10-27-08: CUMMINS INC.PAC \$1,000 10-30-08; Dairy Farmers of America, Inc. DEPAC \$1,000 10-30-08; JPMORGAN CHASE & CO. PAC \$2,000 10-30-08; Robert Ross \$1,000 10-30-08; TRUEBLUE, INC.PAC \$2,000 10-30-08.

Hard copies we made of our attempt to file these reports that did not get accepted are available.
